R E C I T A L S:

1. The global pandemic has forced local governments, not for profit entities, and other community support services to make exceptional expenditures in responding to the unique challenges raised during this unprecedented crisis; and
2. In recognition of these efforts, Congress enacted the American Rescue Plan Act of 2021 (ARPA), which allocated State and Local Fiscal Recovery Funds (SLFRF) to local jurisdictions in order to: respond to the pandemic and support families and businesses struggling with its public health and economic impacts; maintain vital public services, even amid declines in revenue resulting from the crisis; and build a strong, resilient, and equitable recovery by making investments that support long-term growth and opportunity; and
3. Among the eligible uses for SLFRF funds is reimbursement to local not for profit organizations and private small businesses for exceptional expenditures made in response to the pandemic, including those made in response to increased demand for services to populations negatively impacted or disproportionately impacted by the pandemic, or otherwise serving such populations in its ordinary operations; and
4. Among the eligible uses for SLFRF funds is the contracting with local organizations or businesses in order to provide SLFRF-eligible services on behalf of the local jurisdiction, when the same deems that such a contract is in the public interest; and

5. The Board has received ARPA/SLFRF funds and has established a grant-making program to consider specific funding requests from various local organizations impacted by the pandemic or serving impacted local populations; and
6. The Board's grant-making program's eligibility criteria and expenditure categories are the same, or substantially the same, as those described in the U.S. Department of the Treasury's Final Rule governing the eligible uses of SLFRF funds; and
7. The Board has considered one such funding request, made by Recipient; and
8. The Recipient is a political subdivision of the State of Idaho that has provided, and will continue to provide, valuable resources and/or services to the citizens of Blaine County; and
9. The Recipient has experienced negative economic impacts and/or disproportionate impacts as a result of the pandemic; and
10. The Recipient serves populations that have been negatively or disproportionately impacted as a result of the pandemic; and
11. The Board has determined that Recipient's request qualifies as either: Lost revenue due to an extraordinary expenditure or an appropriate public service response to mitigate the negative health or economic impacts of the COVID-19 pandemic and public health emergency; and
12. This contract for services is intended to provide ARPA/SLFRF reimbursement to the Recipient for providing these valuable public services or compensate the same for the negative impacts of the COVID-19 public health emergency experienced by the Recipient.

NOW, THEREFORE, in consideration of the mutual agreements hereinafter contained and subject to the terms and conditions hereinafter stated, it is hereby understood and agreed by the parties hereto as follows:

In making this request, the Recipient has declared that it has truthfully and accurately represented the nature and amounts of these expenditures, and that the request represents lost revenue experienced by the recipient due to the COVID-19 public health emergency.

3. CONSIDERATION. In consideration of the expenditures or lost revenue made by the Recipient, the County agrees to pay \$49,999.00 from dedicated ARPA/SLFRF funds to reimburse the Recipient upon receipt of an invoice for these extraordinary expenditures.

Furthermore, the Recipient is considered to be the end-user beneficiary of SLFRF funds, and as such is not subject to audit pursuant to the Single Audit Act and 2 C.F.R. Part 200 Subpart F as a subrecipient of SLFRF funds, nor is this contract for services considered to be a subaward of SLFRF funds.

5. INDEMNIFICATION. The Recipient agrees to fully indemnify, save and hold harmless the County and its respective officers, agents and employees from and against all claims and actions and all expenses incidental to the investigation and defense thereof, based upon or arising out of the request for reimbursement being sought and paid herein.

6. COMPLIANCE WITH LAWS. In fulfilling its responsibilities, the Recipient agrees to comply with all federal, state, county and municipal laws, rules and regulations in his performance under this Agreement. The Recipient acknowledges that funds received under this contract for services are derived from the SLFRF program of the American Rescue Plan Act of 2021.
