# PRELIMINARY DESIGN | Elm Street End

PRELIMINARY DESIGN | Alley (between Oak and Elm)

PRELIMINARY DESIGN | Alley (between Oak and Elm)

## Pop-Up Plaza and Public Workshop #2

We are hosting a 2-day event at the Oak Street End that will showcase potential elements of initial street end and alleyway concept designs.

### ***Day 1 (June 18): Public Plaza Demonstration Workshop***

- 4:00-9:00pm
- Fully activated space with outdoor seating and dining, music, games
- Interactive workshop boards for the public to react to draft street end and alleyway improvement concepts
- Proposed concept designs elements (parking, scored concrete, bollards, plaza space) will be represented in the plaza elements

### ***Day 2 (June 19): Open Plaza Demonstration and Community Market***

- Plaza will be open all day with the community market running from 3:00-9:00pm
- Local and regional vendors selling produce, prepared foods, and crafts

***Flyer (draft) that will be posted around town to promote the event!***

# FEEDBACK

## Input

- Generally heading in the right direction?
- Any specific comments on the options?

Oak Street

Elm Street

Alley

Other?

- Still to come

Phasing and ROM Estimates

Long range plans for other Street Ends
