i was on city council years ago when hailey wanted to develop this land, and end the roads into bellevues roads. This is a disaster, we, as a council, said we would fence the end of our roads. do not let hailey use our road, distroy them, and pay nothing to help us. Our roads are not the best anyways. I see only one access off the highway, so they might have problems with itd. the residents on the north end of bellevue will be very mad, excess traffic, noise, upkeep of the road, will be a problem. Please advise me when the councilwill be addressing this. I have sent my remarks to hailey, per the newspaper ad.
