Request Title

CITY WORKERS ARE NOT ENTITLED

Description of Records Sought

TO BE READ OUTLOUD DURING THE COMMENTS SECTION OF AGENDA!

Brian Parker allegedly performed work with city employees without permits or authorization and reportedly told Karl Malone that a permit would be approved if money was provided for a Welcome to Bellevue sign. If a private citizen or any other employee engaged in this conduct, they would likely face termination and possible legal consequences. Instead, the Mayor rewarded him with a merit raise. Bellevue residents deserve accountability, not special treatment for government officials. If these allegations are true, Mr. Parker should be fired.

I would like to receive a copy of the records

I authorize costs up to:

I understand the City has 3 business days to respond to this request.

If the requested records are not public, please explain why you believe you are entitled to access.
