I have written to Brian Parker several times regarding this issue. It was also addressed at the
September 14, 2026 meeting. The site he provides does not ANYWHERE allow you to input and
search for permits. It was promised to the citizens that a tool would be created for them to look up
and see if permits have been issued for encroachment, fence, building etc. It is extremely
concerning that a City department head employee lies so easily to the citizens that pay his salary!
